Please find below and/or attached an Office communication concerning this application or proceeding.

DETAILED ACTION

1. The reply filed on or about 7/27/05 and 10/12/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the reply does not correspond to the last Office Action mailed on 7/8/2004 because: The examiners has examined the pending claims 1-12 submission on 1/25/02 along with the newly added claims filed on 2/28/02, and these claims 1-12 are substantially the same as the claims 1-12 submission on 3/27/02 with the exception of the multiple dependent format set forth in claim 4. Therefore, the prior rejection mailed on 7/8/2004 is held to be valid for reason above . Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
